The Stag?

It has come to this,—that the lover of art is one, and the lover of nature is another, though true art is but the expression of our love of nature. Walden

You won't believe this
but I'm going off to war
I know that's hard to understand.
To think of me knee-deep in mud
when I so love the sand.

When I so love the water
to run along the beach and play
it's hard to think of killing someone
on the beach someday.

That's what they want of me, you know
that's what I'm training for.
To think I used to think our fights
were tantamount to war.

Rod McKuen

I want to go soon and live away by the pond, where I shall hear only the wind whispering among the reeds. It will be success if I shall have left myself behind. But my friends ask what I will do when I get there. Will it not be employment enough to watch the progress of the seasons?
